URGENT:

Who will defend us?

OUR NATIONAL SECURITY IS AT STAKE.

WILL YOU ACT?

WHO IS LOOKING OUT FOR US?

Why did Senator Bob Corker vote in committee to put Russia's military interests ahead of our own?

In September, Senator Bob Corker voted out of committee a deeply flawed arms reduction treaty (START) that benefits Russia's interests, not ours.

President Obama and his allies in Congress are using a special, 'lame duck' session to ram the START treaty through the full Senate.

This disastrous plan limits our own missile defense capabilities and severely weakens our national security.

And though President Obama claims START will reduce nuclear weapons, in fact, it will only lead to more nuclear weapons in the hands of rogue countries like Iran and North Korea—countries who want to destroy us.

There's still time to put a stop to this dangerous plan. You can make a difference by urging Senator Corker to change his mind and oppose the START treaty.

Call Senator Corker today at 202.224.3344
and tell him to put our national security first:
Oppose the START Treaty!
