

INSPECTOR GENERAL
DEPARTMENT OF DEFENSE
400 ARMY NAVY DRIVE
ARLINGTON, VIRGINIA 22202-4704

FEB 15 2011

The Honorable Tom A. Coburn
United States Senate
Washington, DC 20510-6200

Dear Senator Coburn:

This is in further response to your letter dated April 9, 2010, requesting that you be provided with "any and all Department of Defense Inspector General investigations" into matters concerning the Director of the Near East South Asia (NESA) Center at the National Defense University, as outlined in recent news reports.

Our letter of November 5, 2010, indicated the completed report of investigation was undergoing internal review. The Directorate for Investigations of Senior Officials (ISO) anticipates that the internal review will be completed shortly. For your information, ISO officials addressed an additional allegation received in August 2010 which extended the fieldwork phase of the investigation. All matters have since been addressed. We will provide you the results of the investigation at the time the internal review of the report is completed.

Should you have questions, please contact me at (703) 604-8324.

Sincerely,

A handwritten signature in cursive script, appearing to read "William P. G. Schuyler", is written above the typed name.

A small handwritten mark, possibly a stylized "J" or "C", is written to the left of the typed name.

John R. Crane

Assistant Inspector General
Communications and Congressional Liaison
