The Honorable Tom A. Coburn  
United States Senate  
Washington, DC 20510-3604

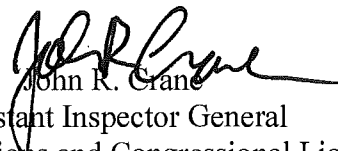

Dear Senator Coburn:

This is in further response to your letter dated April 9, 2010, requesting that you be provided with "any and all Department of Defense Inspector General investigations" into matters concerning the Director of the Near East South Asia (NESA) Center at the National Defense University, as outlined in recent news reports.

By letter of February 15, 2011, you were advised that the completed report of investigation was undergoing internal review by officials within the Directorate for Investigations of Senior Officials (ISO). The ISO review is taking longer than originally anticipated. Knowing of your continued interest in this matter, the findings of the ISO investigation will be provided to you as soon as possible.

Should you have any questions, please contact me at (703) 604-8324.

Sincerely,

  
John R. Crane

Assistant Inspector General
