COMMITTEE ON FOREIGN RELATIONS

WASHINGTON, DC 20510-6225

WILLIAM C. DANVERS, STAFF DIRECTOR
KENNETH A. MYERS, Jr., REPUBLICAN STAFF DIRECTOR

September 27, 2012

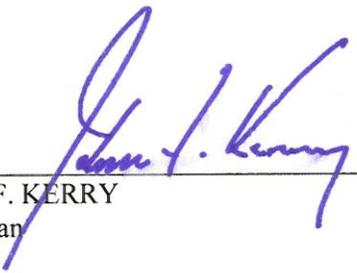

The Honorable Thomas Nides
Deputy Secretary of State for Management and Resources
U.S. Department of State
Washington, DC 20520

Dear Deputy Secretary Nides:

We are writing to follow up on Senator Kerry's letter to you of September 17, 2012 concerning the recent attacks against United States diplomatic and consular facilities in the Middle East. Discussions among Foreign Relations Committee members concerning those events revealed a few additional questions, the answers to which would be useful to the committee in its consideration of this important matter. Those additional questions are included in an attachment to this letter.

It would be very helpful to us if we could receive responses and a briefing on these matters during the week of November 13th when the Senate is expected to go back into session. We recognize that many of the matters may still be under analysis and investigation at that time, but given the importance of these issues to all Committee members, even an interim response would be particularly helpful and much appreciated. We also recognize that some of this information may need to be provided in a classified format.

Best regards,

JOHN F. KERRY

2. In addition to a discussion of whether host government security forces were of adequate size and were adequately trained and equipped to protect our mission, please expand your response to include a discussion of the steps, if any, those forces took to protect U.S. missions or assist U.S. personnel on the days in question.
3. In addition to whether the United States or the host governments had intelligence prior to the attacks in Egypt, Libya or Yemen, please expand your response to include an assessment of attacks that took place at any U.S. missions from September 11-13, 2012.
