Dear Members of Congress:

I have received your joint letter, dated March 3, 2009, requesting my office to investigate Ambassador Charles "Chas" Freeman's "past and current relationship with the Kingdom of Saudi Arabia-both personal financial disclosures and the list of all contributors to the Middle East Policy Council across all years that Ambassador Freeman drew a salary from the foundation-and report back to Congress on any potential conflicts of interest."

We are examining the matters you have raised and will respond upon completion.

Sincerely,

Edward Maguire
